| CALAMIA  | Number one—is there going to be a gun in your car?  |
| WILLIAMS | I don't know.   |
| CALAMIA  | You don't know?   |
| WILLIAMS | My car?   |
| CALAMIA  | Did you come to that, that meeting today with a firearm? 'Cause look, we got the car in the back, we haven't gone through it yet. I mean we're going to go through it. I mean, let's start off with something easy. Because we have the car. We showed up there. Is there going to be a firearm in the car? |
| WILLIAMS | I don't believe so.   |
| CALAMIA  | You don't believe so?   |
| WILLIAMS | Mm-mm.  |
| CALAMIA  | Do you own a firearm?   |
| WILLIAMS | Yes, I do.  |
| CALAMIA  | You do. Where is the firearm located? This is an easy question. This is how we start.   |
| KALEY    | You don't have to worry about anyone else when they ask you for that.   |
| WILLIAMS | So far, I see that I'm getting nothing out of this. To be honest with you, I'm getting nothing out of this. I'm going to spend what, ten, fifteen, right?   |
| CALAMIA  | Depending.  |
| WILLIAMS | No, no, no.   |
| CALAMIA  | Ten, ten, ten mandatory.  |
